

Why should you host a social?

- ✓ Start a natural lawn revolution in your neighborhood!
- ✓ Learn about natural lawn care while also offering this education to your neighbors.
- ✓ Hosts receive a gift certificate to a local nursery.

The Maine YardScaping Partnership was formed out of the rising concern over the possible pollution caused by yard care chemicals washing away into water bodies, as well as the risks of pesticide exposure to people, pets and wildlife.

For a healthy maine

What is a YardScaping Social?

An approximately one-hour informal neighborhood gathering to connect with your neighbors and share natural lawn care tips.

What is YardScaping?

YardScaping is a statewide effort to inspire Maine people to create & maintain healthy landscapes through practices that minimize reliance on water, fertilizer and pesticides.

What will you have to do as a host?

- ✓ Get 8+ neighbors & friends to attend.
- ✓ Supply refreshments.
- ✓ Provide feedback to CCSWCD to ensure the program will meet the needs of your friends & neighbors.

How will your neighbors benefit?

- ✓ Find out how to create a fabulous lawn that is healthy for people, pets & wildlife.
- ✓ Learn tips to save money & time on lawn care.
- ✓ Receive great information & prizes.
