Christopher Bolduc, Facility Director

6am to 9pm April 1st—November 1st

Ted Bosarge, III, Park Superintendent

6am to 6pm November 2nd—March 31st

## Fall Cross County

### Twin Brook

The Twin Brook Recreation Facility is a four season park that has grown in use and amenities

over the years and now covers over 250 acres. There are over 22 acres of mixed athletic fields, baseball and softball fields, soccer fields, restroom facilities and more than 4 miles of wooded walking trails. In the winter months, many trails are groomed for cross country skiing. Twin Brook is in use from sun up to sun down by a wide age range of people doing anything from walking their dogs, flying kites, playing soccer to eating their lunch. Twin Brook hosts multiple local and regional events and activities. During the fall numerous cross country running events are held at the facility such as the 2009 USATF Maine Open Championship/Craig Cup 5K. Twin Brook was home of the 2009 Southern Maine High School State

To Report a problem with the Park or an infraction of the Facility Policies, please email our [Tip Line](#)

### Parks

The Parks Department is responsible for maintaining over 500 acres of town owned property that includes Twin Brook, the Library, Monuments, Cumberland Commons, Rines Forest, Town Office, Drowne Road and the Fire Stations. The Park Department staff consists of 1 foreman, 1 full time seasonal employee, and 1 full time position shared between the Parks and Public Service Departments. All athletic fields at Twin Brook and the West Cumberland facility are mowed 3 times a week during the growing season. This combined with the over 60 acres of park area mean our large 12 foot mowers can be seen operating almost daily around town. We also maintain the trails through the Rines Forest which contains 4 miles of scenic walking trails throughout the over 200 acres off Range Road. The Town Forest adds another 1.5 miles of available trails through the 75 Acres of land behind the Town Office. Many other trails are available in the town and can be found in the [Cumberland Scenic Trail](#) map with the attached link.

### Twin Brook Advisory Committee

#### Mission Statement and Committee History:

In 2003 the Town Council established the Twin Brook Facilities Committee to recommend measures which will help protect the Twin Brook Recreation Facility and assist the Town Council in developing usage and maintenance policies for the entire facility including but not limited to parking, maintenance, inclement weather usage, trail maintenance, and an equitable use fee structure. On July 12, 2004 the Town Council appointed a permanent committee renamed the [Twin Brook Advisory Committee](#) to provide continuing input and assist in the regulation of the facility. The Committee meets the first Tuesday of the month and welcomes any community input regarding matters pertaining to the Park.

ANY VEHICLE  
REMAINING AFTER PARK  
HOURS WILL BE TICKETED  
AND/OR TOWED AT  
OWNER EXPENSE

Twin Brook Recreation Area is open to the Public and requests the Public's assistance in keeping our Parks clean. Please throw all refuse, including pet waste, into the trash receptacles which are located throughout the
