Ted Bosarge, III, Park Superintendent
Laura Neleski, Administrative Assistant
829-2220

Hours of Operation

6am to 9pm April 1st—November 1st
6am to 6pm November 2nd—March 31st

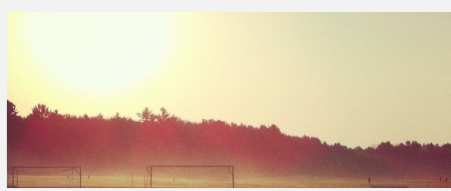

Fall Cross County

Twin Brook

The Twin Brook Recreation Facility is a four season park that has grown in use and amenities

over the years and now covers over 250 acres. There are over 22 acres of mixed athletic fields, baseball and softball fields, soccer fields, restroom facilities and more than 4 miles of wooded walking trails. In the winter months, many trails are groomed for cross country skiing. Twin Brook is in use from sun up to sun down by a wide age range of people doing anything from walking their dogs, flying kites, playing soccer to eating their lunch. Twin Brook hosts multiple local and regional events and activities. During the fall numerous cross country running events are held at the facility such as the New England High School Cross Country Championships in 2012 and is scheduled to host again in 2015 New to the Park in the summer of 2013 is a nine hole Disc Golf Course. Please check the Recreation webpage for current events.

Sarah Davis

Administrative Assistant Recreation

Parks

The Parks Department is responsible for maintaining over 500 acres of town owned property that includes Twin Brook, the Library, Monuments, Cumberland Commons, Rines Forest, Town Office, Drowne Road and the Fire Stations. The Park Department staff consists of 1 foreman, 1 full time seasonal employee, and 1 full time position shared between the Parks and Public Service Departments. All athletic fields at Twin Brook and the West Cumberland facility are mowed 3 times a week during the growing season. This combined with the over 60 acres of park area mean our large 12 foot mowers can be seen operating almost daily around town. We also maintain the trails through the Rines Forest which contains 4 miles of scenic walking trails throughout the over 200 acres off Range Road. The Town Forest adds another 1.5 miles of available trails through the 75 Acres of land behind the Town Office.

On July 14th, 2014, the Cumberland Town Council updated ordinances regarding **dogs at town parks**. The purpose of this is to make sure that all animals in the Town of Cumberland are kept under the control of their owner at all times. Please see the town website under Parks to view the policy and ordinance. Corresponding signs are posted at the Park.

Twin Brook Advisory Committee

Mission Statement and Committee History:

In 2003 the Town Council established the Twin Brook Facilities Committee to recommend measures which will help protect the Twin Brook Recreation Facility and assist the Town Council in developing usage and maintenance policies for the entire facility including but not limited to parking, maintenance, inclement weather usage, trail maintenance, and an equitable use fee structure. On July 12, 2004 the Town Council appointed a permanent committee renamed the Twin Brook Advisory Committee to provide continuing input and assist in the regulation of the facility. The Committee meets the first Tuesday every other month and welcomes any community input regarding matters pertaining to the Park.
